State Clearinghouse Number (if submitted to State Clearinghouse): 2019109066
Project Title: Cupertino Parks & Recreation System Master Plan
Project Applicant: City of Cupertino, 10300 Torre Avenue, Cupertino, CA 95014
Project Location (include county): City of Cupertino, CA, Santa Clara County
Project Description:

The Master Plan, which was approved in February 2020, is intended to ensure that the City's park and recreation system meets the needs of the Cupertino community, and to guide the City in allocating resources for future development, renovation and management of City park and recreation facilities through the year 2040. The key components of the Master Plan include vision and goals, systemwide objectives and actions, enhancement opportunities, and associated implementation actions. The Master Plan is focused on City owned or managed developed parks and recreation facilities in Cupertino, including Memorial Park located at 21121 Stevens Creek Boulevard. The Master Plan identified potential improvements to Memorial Park including renovating the amphitheater, expanding the existing senior center, adding bicycle paths, providing ADA accessibility, and other park improvements.

April 3, 2024 Addendum: The current initiative addresses the adoption and planned implementation of a Specific Plan for Memorial Park (address: 21121 Stevens Creek Blvd, Cupertino, CA 95014, Santa Clara County) that outlines improvements consistent with those envisioned for the park in the City's adopted 2020 Parks and Recreation System Master Plan. The identified improvements include renovations to the amphitheater; a new deck/plaza for the existing senior center; bicycle routes on-site; ADA compliant improvements; and upgrades to the existing softball field, sports courts, playground areas, picnic areas, parking areas, and landscaping on-site.

This is to advise that the City of Cupertino (Lead Agency or Responsible Agency) has approved the above-described project on April 3, 2024 and has made the following determinations regarding the above described project.

1. The project (will will not) have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Mitigated Negative Declaration (MND) was prepared pursuant to the provisions of CEQA for the original project (i.e., the 2020 Cupertino Parks and Recreation System Master Plan). That MND was adopted by the Cupertino City Council on February 18, 2020. The analysis in the Addendum completed for the proposed Memorial Park Specific Plan concluded that the proposed project will not result in new significant adverse effects or substantially increase the severity of significant effects previously identified in the 2020 Initial Study/MND.
3. Mitigation measures (were were not) made a condition of the approval of the original project approved on February 18, 2020. The mitigation measures that were adopted and incorporated into the project analyzed

in the 2020 Initial Study/MND will remain in effect. No new or modified mitigation measures were identified in this Addendum.

- 4. A mitigation reporting or monitoring plan (was was not) adopted for the original project. The proposed project will comply with the measures identified in the previously adopted mitigation reporting or monitoring plan.
- 5. A statement of Overriding Considerations (was was not) adopted for this project.
- 6. Findings (were were not) made pursuant to the provisions of CEQA.

This is to certify that the Addendum and adopted 2020 Initial Study/MND, is available to the General Public at:
<https://parksmp.cupertino.org/index.html>
